\* Unit count / year built per Dwellsy — not independently verified. Multi-address communities merged before averaging. House rule: comp properties under 5 units are excluded.

Comparable Rents by Unit Type  
Property-weighted benchmarks; subject plans positioned against the comp median.

| Unit Type | Comp Props | Comp Listings | Median SF | Property-Wtd Median Rent | Median \$/SF |
|-----------|------------|---------------|-----------|--------------------------|--------------|
| 1 Bed     | 3          | 19            | 576       | \$961                    | \$1.85       |
| 2 Bed     | 7          | 60            | 900       | \$1,250                  | \$1.32       |

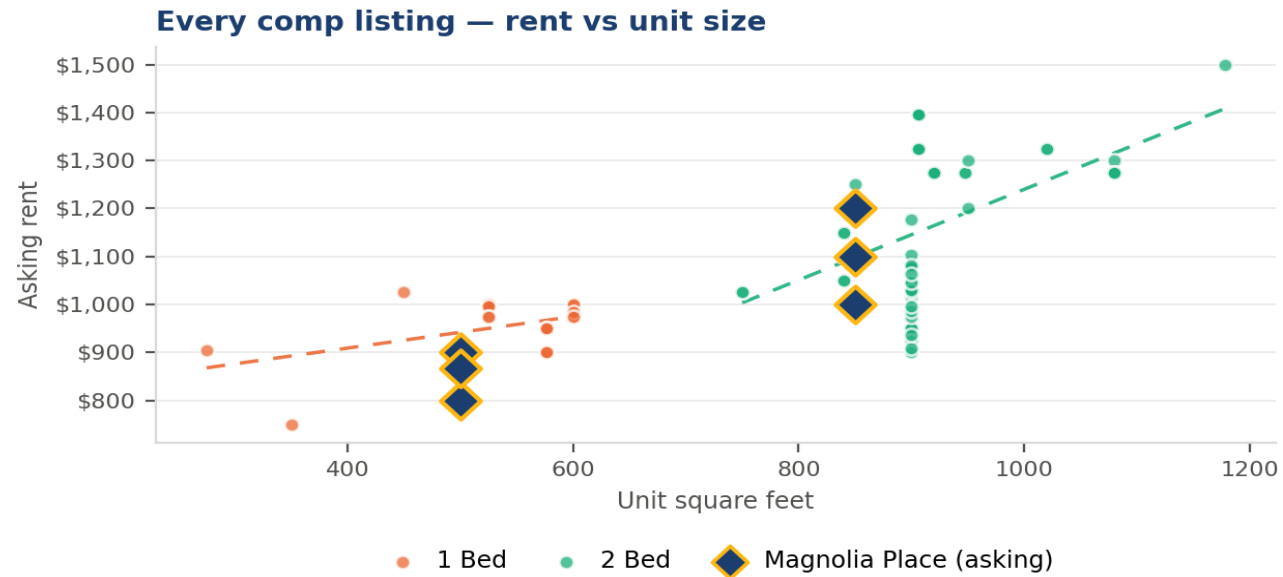

Gold = subject (asking). Bars are each property's average asking rent for the unit type; dashed line is the property-weighted comp median.

Subject Positioning & Rent Upside

Subject floor plans vs the comp set — the gap between in-place rent and comp-supported rent is the value-add story.

| Floor Plan                | Bed | SF  | Units | Market Rent | In-Place Rent | Comp Median (same bed) | PSF-Implied Rent | In-Place vs Comp | Upside /Unit/Mo |
|---------------------------|-----|-----|-------|-------------|---------------|------------------------|------------------|------------------|-----------------|
| 1x1 Classic               | 1   | 500 | 2     | \$800       | \$862         | \$961                  | \$923            | 90%              | \$60            |
| 1x1 Partial               | 1   | 500 | 1     | \$900       | \$975         | \$961                  | \$923            | 101%             | \$0             |
| 1x1 Premium               | 1   | 500 | 3     | \$867       | \$925         | \$961                  | \$923            | 96%              | \$0             |
| 2x1 Classic               | 2   | 850 | 4     | \$1,000     | \$920         | \$1,250                | \$1,118          | 74%              | \$198           |
| 2x1 Partial               | 2   | 850 | 2     | \$1,100     | \$1,108       | \$1,250                | \$1,118          | 89%              | \$11            |
| 2x1 Premium               | 2   | 850 | 8     | \$1,200     | \$1,097       | \$1,250                | \$1,118          | 88%              | \$22            |
| Total demonstrated upside |     |     |       |             |               |                        |                  |                  | \$1,108/mo      |

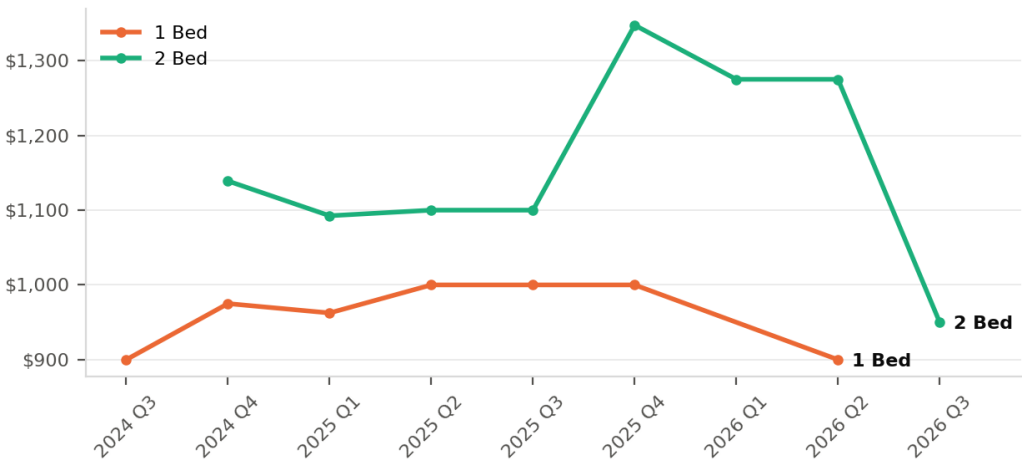

Comp-supported target = the lesser of the same-bed property-weighted median and the PSF-implied rent for the plan's square footage (conservative). Upside floors at \$0.

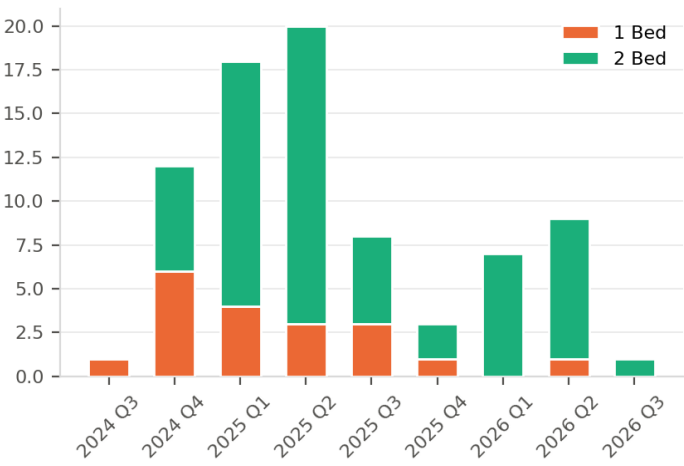

Market Trending Behavior

Listing-derived trends across the comp properties — trends use the full pulled lookback window.

Median asking rent by quarter listed

Listings placed on market per quarter

| Unit Type | Prior Median<br>(6-24 mo ago) | Recent Median<br>(last 6 mo) | Movement | Recent Listings |
|-----------|-------------------------------|------------------------------|----------|-----------------|
| 1 Bed     | \$975                         | \$900                        | -7.7%    | 1               |
| 2 Bed     | \$1,100                       | \$1,275                      | +15.9%   | 16              |

Trend medians are computed from the quarter each comp listing was placed on market (asking rents). Thin quarters reflect small-market listing volume — read direction, not precision. Data: Dwellsy Comps API; property identities verified via public listing sites.
